

UK 0836–CPR–21/F493

In compliance with the Construction Products (Amendment etc.) (EU Exit) Regulations 2020 (as amended 2022), this Certificate applies to the construction product:

Execution of steel structures and aluminium structures — Part 1: Requirements for conformity assessment of structural components

Applicable Standard	Type / model class of the construction product	Declaration method
EN 1090-1 : 2009 + A1 : 2011	Structural steel kits and components up to and including Execution Class 2 according	1,2,3a and 3b according to table A. 1 : EN 1090-1 : 2009 + A1 : 2011
	to EN 1090-2 : 2018	

Produced by: The Keystone Group Masonry Support Systems Ltd t/a IG Masonry Support Cadley Hill Industrial Estate Ryder Close, Swadlincote Derbyshire, DE11 9EU

and produced in the manufacturing plant:

The Keystone Group Masonry Support Systems Ltd t/a IG Masonry Support Cadley Hill Industrial Estate Ryder Close, Swadlincote Derbyshire, DE11 9EU

This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s):

EN 1090-1 : 2009 + A1 : 2011

under system 2+ for the performances set out in this certificate are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This Certificate was first issued on 13 April 2021 and remains valid for as long as the test methods and/or factory production control requirements included in the applicable standard, used to assess the performance of the declared characteristics, do not change, and the construction product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production certification body.

Signed on behalf of the British Board of Agrément:

Date of Third issue: 25 August 2023

Hardy Giesler Chief Executive Officer
