

Environmental Policy Statement

IG Masonry Support is dedicated to reducing our environmental impact, the protection of our environment and promoting sustainable practices in all aspects of our business. We recognise our responsibility to protect the environment and are committed to continuously improving our environmental performance.

Scope

The design, manufacture and supply of Brick Slip Lintels, Masonry Support Systems, Masonry Support Systems with Brick on Soffit Systems, Brick Slip Soffit Panels, Windposts (lateral support system for masonry), Cavity Tray Lintels, brick cutting, brick cut and bond, brick re-facing and brick filling.

IG Masonry Support is committed to:

- Ensuring our compliance with legislation
- The protection of the environment including prevention of pollution and any other specific commitments
- Carbon footprint reduction
- Continuously improving our Environmental Management System
- Measuring our resource efficiency
- Reducing our impact on the local community
- Waste Management - Reducing, reusing and recycling materials to minimise waste sent to landfill
- Ensuring that our environmental objectives are communicated and implemented.

Responsibility for the Environmental Management System

It is the responsibility of the Senior Management Team to lead the ISO 14001:2015 Standards, and to involve all staff through a programme of continuous improvement and effective teamwork. The Senior Management Team have taken responsibility and ownership for the Business Management System and will ensure that the company adheres to this and its improvement moving forward.

By adhering to this policy, IG Masonry Support aims to be a leader in sustainable practices within our industry, demonstrating our commitment to environmental stewardship and responsible business conduct.
